NILE ONLINE

Teaching Skills and Languages

This 30-hour self-access online course included the following :

- The difference between reading and listening, and speaking and writing skills
- Different frameworks and approaches to teaching English language and language skills
- Analysing tasks, activities and resources for teaching English language and language skills
- Issues and challenges in teaching and learning English language and language skills
- The role of authentic materials and real-life tasks in English language teaching
- Motivating learners to practise speaking and writing
- The role of correction in developing speaking and writing skills
- How to work with phonology when teaching grammar and vocabulary
- Devising a post-course action plan
